All Rights Restored and Reserved NEVER WAIVED, not “Pro`Se” entering said Court by “Special Appearance” under Duress, Threat of Loss of Gainful Employment, Loss of Earning, etc., & Not by “General”. Non-Confirming Victim(s) of Prejudice and Governmental Prejudice & Excitement of Officers of the Court knowingly & intentionally/ Maliciously Committing FRAUD UPON THE COURT, Files this Designation of Supplemental Records and Issues to be addressed on Appeal for said Office of The Clerks has FABRICATED THE FACTUAL RECORDS OF THIS CASE; AND THEY ARE NOT GOOD CUSTODIAN OF THE RECORDS. So, have a true and meaningful Review of the information and facts that was intentionally and knowingly kept Away from the records of the Courts. I/We DEMAND That these following Documents be ye’ Submitted to the Federal District Court as follows:

Appellant moves this Appellate District Court to take Judicial Notice that these Designation of Records have been submitted for the Records to the Bankruptcy Court on August 20th, 2022, the Issue to be Address on Appeal had been already filed with the Office of the Clerks and like all other documents the Clerks have been intentionally refusing to file the documents without just cause nor authorization from the Courts in doing so. Even the Chief Judge Goldgar’s Sixth Amendment Order Repudiate the Clerks false contentions and they have contravened the Chief Judge

rulings to give DISADVANTAGING THIS APPELLANT to obstruct this appellate Court from Ever seeing these material documents.

And when said Appellant filed his Criminal Complaint against the Office of the Clerks, said Appellant filed a complete Designation of Records on **August 25th, 2022**; because the Documents is a Complaint against the unlawful Interference of the Office of the Clerks, I know that they was hoping to keep this document out of Appellate Review.

Now, as it stands, all documents are help unlawfully CAPITIVE/HOSTAGE by the Office of the Clerks as a means of Harassment, Intimidation, Humiliate, Improper Purposes, Impede & Obstruct the proper Administration of Justice. Being that the Office of the Clerks have Devised and/or Intended to Devise a Scheme/Artifice of the Records to Defraud this Appellate District Court that they have compiled a true and Correct Records of the proceedings within this case AND ITS NOT and for this District Appellate Court to rely on the false records as True.

ISSUES TO BE ADDRESSED ON APPEAL:
NOTICE OF APPEAL TO BE A SUPERSEDEAS BOND
AGAINST THE DISQUALIFIED JUDGE'S (2) TWO ORDERS OF
AUGUST 19TH, 2022; OFFICE OF THE SHERIFF
ARE HEREBY ENJOINED FROM PROCEEDINGS TO EVICT
UNTIL THE ALL-APPELLATE PROCESS IS PRECLUDED

The judge has been Disqualified Order & Illegal dismissal from the Protection of the Automatic Stay based on A void Order of the lower Court Judge of the 18th Circuit Judicial Court of DuPage County who failed to even respond to the Challenge of Jurisdiction and played the same Trick that this Court did attempted to lock Representatives of the Debtor out so that the Court could falsify a Failure to Appeal.

Lower Court Order was void upon its face for failing to respond to the Challenge of Jurisdiction and having a Sham Proceedings without Opportunity to Dispute

Lower Order for Eviction violated the Illinois Gubernatorial Proclamation and Executive Orders the Illinois Eviction Prevention and is therefore VOID upon its face.

The Order of the Bankruptcy Court is based on a VOID Order of the Lower Courts and was rendered in Absent of All Jurisdiction and therefore Judge Baer's Order to Dismiss this Chapter 13 and the protection of the Automatic stay is Arbitrary and Capricious and VOID upon its face as well and is UNENFORCEABLE FOR IT CONTRADICTS THE STATE OF ILLINOIS EVICTION PROTECTION ORDINANCES, AND THE PANDEMIC RELIEF EFFORTS.

Appellant Reserves the Right to Add Additional issues to be addressed on Appeal. Order was not attached for Judge attempted to make these order after working a FRAUD to attempt to not have Debtors people participate in the ZOOM call. Appellant was never given the number to the call nor its password or call. The court website said there was No hearing scheduled for the above-styled case and yet it was one on going after the Appellant had to keep calling the office of the clerks letting them know that

In Re: Lee Goree

she was being blocked from getting on the call; for the Court to Fake a Failure to Appear by the Appellant.

Appellant moves this Appellate Court to make a legal determination and deem the actions of the Officer the Clerks complete Official Misconduct, Unlawful Interference By A Government Agency/Official, and the Acts Recklessly endangered the rights

And Privacy of the DEBTOR & THIS CASE MUST BE REFERRED UP FOR CRIMINAL PROSECUTION & OFFICIAL INVESTIGATION.

This Case is Hereby Appealed, and Stayed until All Appellate Process has precluded. This Affiant Victim and Witness to Criminal Activities Conducted by the Office of the Clerks Reserves the right to add additional information of Issues to be Address within The Appellate Brief.
